

The International Wine Challenge is acknowledged as the most comprehensive and influential wine competition in the world.

Throughout the rigorous judging processes, each winning wine is tasted a minimum of three times and as many as six. This medal is a powerful endorsement of quality and excellence in winemaking.

Our esteemed judges have awarded a silver medal to

**Hattenheim Nussbrunnen Riesling Auslese 2006, Weingut
Balthasar Röss**

*for outstanding achievement in the
International Wine Challenge 2008*
