

VDP. DIE PRÄDIKATSWEINGÜTER
RHEINGAU

**VDP.AUKTION.RÉSERVE 2.0 - The Online
Hessian State Wine Estates Monastery Eberbach and the VDP.RHEINGAU Wine Auction**

Bidding may take place in one of the following ways: traditionally - in person or in the form of a commissioned bid. You may also follow the auction live on Facebook and place your bid, directly, through the Facebook network.

In this case, please heed the following guidance instructions:

1. Submit an application for membership within the official Facebook auction group under:

<https://www.facebook.com/groups/123025058415722/>
2. On receipt of your membership confirmation, you will have access to the auction-catalogue PDF link, once available for download.
3. Please familiarize yourself with all terms, time schedules and auction lots in advance. The Facebook group administrators will act as 'virtual' commissioned bidders. However, one of the official commissioning agents will complete procedures. The administrators accept in advance, your stated choice of commissioner at any time and prior to the auction.
4. On the day of auction, please start the live video within the Facebook auction group and turn on the sound.
5. The administrators will post each single lot/item individually within the group.
6. Your bid, incl. number of bottles and net price, may in turn, be posted as a 'comment' to the respective post. Do you wish to increase your bid; a further comment is necessary using exactly the same procedure again.
7. Was your bid successful, we kindly advice you to send your contact details directly to the Administrators via direct messaging, in order to complete the procedure.
8. Good luck!
